Reference:-

Government Order No. J 33-34/Pol 163-06-6, 415

dated the 3rd July 1907, stating that the Government of Madras have, in pursuance of their Judicial Department letter No. 400 dated 7th March 1902, declined to accord sanction to the acceptance of rewards by certain Police officers of the Madras Presidency &c.

-----0-----

I have the honour to forward herewith, copy of letter No. 119 dated the 6th August 1907 from the Deputy Commissioner, Chitaldrug District, and to state that I concur with him in thinking, that the policy of the Madras Government in declining to permit their Police officers to accept well-earned rewards, offered by the Mysore Government, will certainly have the effect of lessening the interest of Madras officers in our Mysore cases.

The peculiar situation of Mysore, surrounded as it is, on all sides by British Territory, renders it necessary for the Police on both sides of the border to co-operate enthusiastically and perseveringly with each other

in tracing and working up organized crime committed by dangerous criminal gangs. Any luke-warmness in such cases invariably ends in the usual excuse "undetectable."

I cannot urge too strongly the absolute futulity of hoping for such a strong sense of duty on the part of Police officers, as to expect them to take extraordinary and exceptional interest in their cases, merely to be told at the end of it that they have "done their duty", and can look for no reward. If this is so with regard to cases within their own jurisdiction, how much more does it apply to assisting Foreign Police in their work.

I anticipate that if the Madras Government continue to refuse acceptance of rewards by their border officers, for aiding the Mysore Police, the "assistance" will dwindle down to the usual dead level of ordinary official "duty", or in other words the official "let things be and do nothing".

I therefore respectfully hope that the Mysore Government will move the Government of Madras to reconsider their order in this important matter.

The fact that in the year 1906, i.e., subsequent to the date of the Madras Government Order No. 400 dated 7th March 1902 referred to above, one of their Inspectors by name ^X Nagappa of the Anantapur District, was permitted to receive a reward of Rs 25/- offered by the Mysore Government, in connection with a case of dacoity that occurred in the Chitaldrug District, may be brought to the notice of the Madras Government as a salutary exception to their rule.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector General of Police.

Chitaldrug District,

Dated 6th August 1907.

From

M. Chengiah Chetty Esquire, B.A.,

Deputy Commissioner, Chitaldrug District.

To

F. E. C. Carr Esquire, C. S.

Inspector General of Police in Mysore.

Sir,

Adverting to your memo No. 230/14 dated 10th ultimo forwarding copy of Government Proceedings No. J 33-34/Pcl 163-006 dated 3rd idem, conveying sanction to the grant of rewards to certain Police officers and others, I have the honour to submit that in para 2 of the said Proceedings it is stated that the Government of Madras have declined to accord sanction for the acceptance of the rewards by the Police officers of the said Presidency.

In the light of this order, the hearty co-operation expected of the ^{British} District Police in the detection of heinous crimes in which the accused concerned commit depredations in this State and seek refuge in the British Districts, is likely to receive some check and the objects for which such rewards are intended would be defeated in many instances.

In a previous equally important case (Thopgondanahalli house dacoity, Chellakere Taluk) in which the Police of the Anantapur District had helped our Police in bringing the case to a successful issue, Inspector Nagappa of Anantapur District was given a reward of Rs 25/- (vide I. G.'s Memo No. 5602/323 dated 25-4-1906). This has acted as an incentive for the said men to render valuable assistance and co-operation in the working out of the present case with hopes that they too, would be similarly rewarded. I fear that if they could come to know that their

exertions will not be duly rewarded, it may be presumed that they are not likely to evince so much earnestness and enthusiasm as they have been doing till now.

As you are fully aware, this District is on all sides bordering on the British Territory and it is impossible to bring to a successful issue any serious offence without the co-operation of the British Police, and it is needless for me further to urge that these officials cannot be expected to take extra trouble on our account though they are bound to do so morally.

Under these circumstances, I beg to request once more that you will kindly address the General and Revenue Secretary in the matter of moving the Government of Madras to sanction the acceptance of gold medals by the British Police officers concerned instead of cash rewards recommended in this office letter No. 612 dated 20th February 1907.

I have &c.,
